

YELLOW FEVER VACCINATION AT AIIMS GUWAHATI

Yellow Fever Vaccination is now available at AIIMS Guwahati.

AIIMS Guwahati has recently been given approval by the Ministry of Health and Family Welfare for starting Yellow Fever vaccination. This is the first Yellow Fever vaccination centre in the entire North East India and will cater to the population of the entire NE region.

The vaccination will be carried out under the Department of Community & Family Medicine, AIIMS Guwahati.

The vaccines will have to take a prior appointment after which a date will be provided for the vaccination.

Email ID for appointment: yellowfeveraiimguwahati@gmail.com

[Necessary instructions will be given via email after the appointment is confirmed.](#)

The vaccination will be done on every second and fourth Tuesday of the month from 9am to 1 PM.

Registration is mandatory prior to vaccination. The services will be provided on a first come, first serve basis.

After the registration, the patient will have to proceed to the immunization room (Room No: 1035) where an informed consent form will be provided to the vaccinees which they have to read carefully and provide their informed consent.

There are some contra indications to the vaccine like egg allergy, immune deficiency from medication or disease, symptomatic HIV infection, pregnancy, etc.

After such contraindications are ruled out, the patients will be taken in for vaccination after completion of the necessary paperwork.

An amount of Rs 300 will be charged for every vaccination.

The vaccines are required to bring their original pass port at the time of vaccination.

Nodal Officer: Dr. Himashree Bhattacharyya, Associate Professor, Dept of CFM, AIIMS GHY.
